REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Applicants' arguments are convincing. The specification supports the improvement of mechanical properties and because of this the cited *In re Davies* does not apply. The Declaration by Dr. Eckel shows unexpected improvement of mechanical properties in the claimed particle size range. All claims pending in the instant application are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peter Szekely whose telephone number is (571) 272-1124. The examiner can normally be reached on 7:00 a.m.-5:30 p.m. Tuesday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Vasu Jagannathan can be reached on (571) 272-1119. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
